acceptance; also that two-thirds of it is devoted to the financial question. It is again asserted authoritatively, despite all rumors to the contrary, that Hendricks stands squarely on the St. Louis platform with reference to the repeal of the Resumption Act. Being interrogated relative to a letter said to have been written by him in July to a friend in Indianapolis, urging the repeal of the resumption clause, he admitted its authenticity, but could not recall its precise terms. He added: "I have been in favor of the repeal of that law ever since I read it."

CHICAGO.
Our Red Brother--The Silver Question--Criminal, Etc., Etc.
By American Press Association to the STAR.

CHICAGO, August 4.—It is now reported that among the immense number of Indians who have reported to Standing Rock since the rumored change of management to the military is the notorious Rain-in-the-Face, who killed Gen. Custer and had a war dance over Custer's heart, being accompanied by two hundred and twenty lodges. He is now in with hundreds of others, and no doubt will insist upon his disposition to be a good Indian.

In the Chicago Board of Trade, Mr. Wright's resolution in favor of restoring the legal tender quality of the silver dollar, was laid on the table by a close vote. Subsequently, on a roll of twenty-five members, a special meeting was ordered to consider that question next Monday evening.

A cold-blooded murder was committed last night at West Liberty, Iowa. The parties were held on the table by a close vote. Subsequently, on a roll of twenty-five members, a special meeting was ordered to consider that question next Monday evening.

Latest from Gen. Terry.
CHICAGO, August 4.—Recent dispatches from Gen. Terry say he will commence to move up the Rosebud River on July 27 to form a junction with General Crook. Everything indicates that the Indians in front of Terry and Crook are breaking up into small bands with the view of interrupting communication and attacking the border settlements, and some who are tired of the war want to get into the agencies.

FOREIGN.
By American Press Association to the STAR.

INTERVENTION POSSIBLE.
NEW YORK, August 4.—A London special says the foreign Embassadors at Constantinople have at last interfered, and entered a protest against the present conduct of the campaign in Servia. Several Embassadors have warned the Porte that unless the present system of enlisting volunteers as crusaders against the Christians is stopped, European military intervention is inevitable. In consequence of this warning the Porte has ordered that no more volunteers be enlisted against the Servians. The Sultan is to be notified, and entirely incapacitated from business.

FROM THE SEAT OF WAR.
VIENNA, August 4.—A dispatch from Wedden to-day says the operations of the Turkish army of invasion have been suspended since Tuesday, owing to preparations that are making for simultaneous attacks on Krupa and Sataro. The insurgents have no accommodations for the wounded at Camp Longdina, where many of the injured are, and no doctors. The suffering there is terrible. Eight Russian female doctors are expected to arrive at Belgrade.

REVOLUTION IN MEXICO.
Severe Defeat of the Government Troops.
By American Press Association to the STAR.

NEW ORLEANS, August 4.—News has been received here of a fight twelve miles from Serralvo, on the Monclava Road, between Mexican Government troops under Quiroga, and the Revolutionists under Karouko Travino and Falcon, resulting in the defeat of the former, who lost four hundred stand of arms. Two of his battalions deserted him and pronounced for Travino.

Quiroga's men were captured. This reverse will severely cripple Osceola in his operations against the Revolutionists.
